

A Q U E N T

GYMNASIUM

Hear Ye! Hear Ye!

Becky Clay

has most excellently passed the final examination for the Aquent Gymnasium course,

CODING FOR DESIGNERS

and, as such, has demonstrated a grasp of the concepts involved in turning comps into code and becoming, within reason, the designer with whom developers love to work (though said love will remain conditional on the actual work done in conjunction with the aforementioned developers).

DATE OF COMPLETION: July 18, 2013
